

# DID YOU KNOW?

Some Groups Are Being Hospitalized At Higher Rates

COVID-19 can affect anyone, however some groups of people who have contracted this virus have a higher risk of severe symptoms and hospitalization.

**Senior Citizens  
Men  
African Americans**

This impact appears to be attributable to preexisting conditions such as high blood pressure, heart disease, diabetes, and perhaps disparities in access to healthcare.

**Wash Your Hands Frequently  
Practice Social Distancing  
Wear A Face Covering  
Stay Home When Possible**
